# WAWF-RA

- Wide Area Work Flow-Receipts and Acceptance
  - Paperless Contracting DoD-wide application designed to eliminate paper from the receipts and acceptance process of the DoD contracting lifecycle
  - WAWF-RA supports DoD's efforts to reduce unmatched disbursements in the DoD receipt, acceptance, entitlement and payment process through data sharing and electronic processing
  - A joint HQ AETC/LGC/FMF Action Team has been established to develop an action plan to support command-wide deployment of WAWF-RA during FY02.

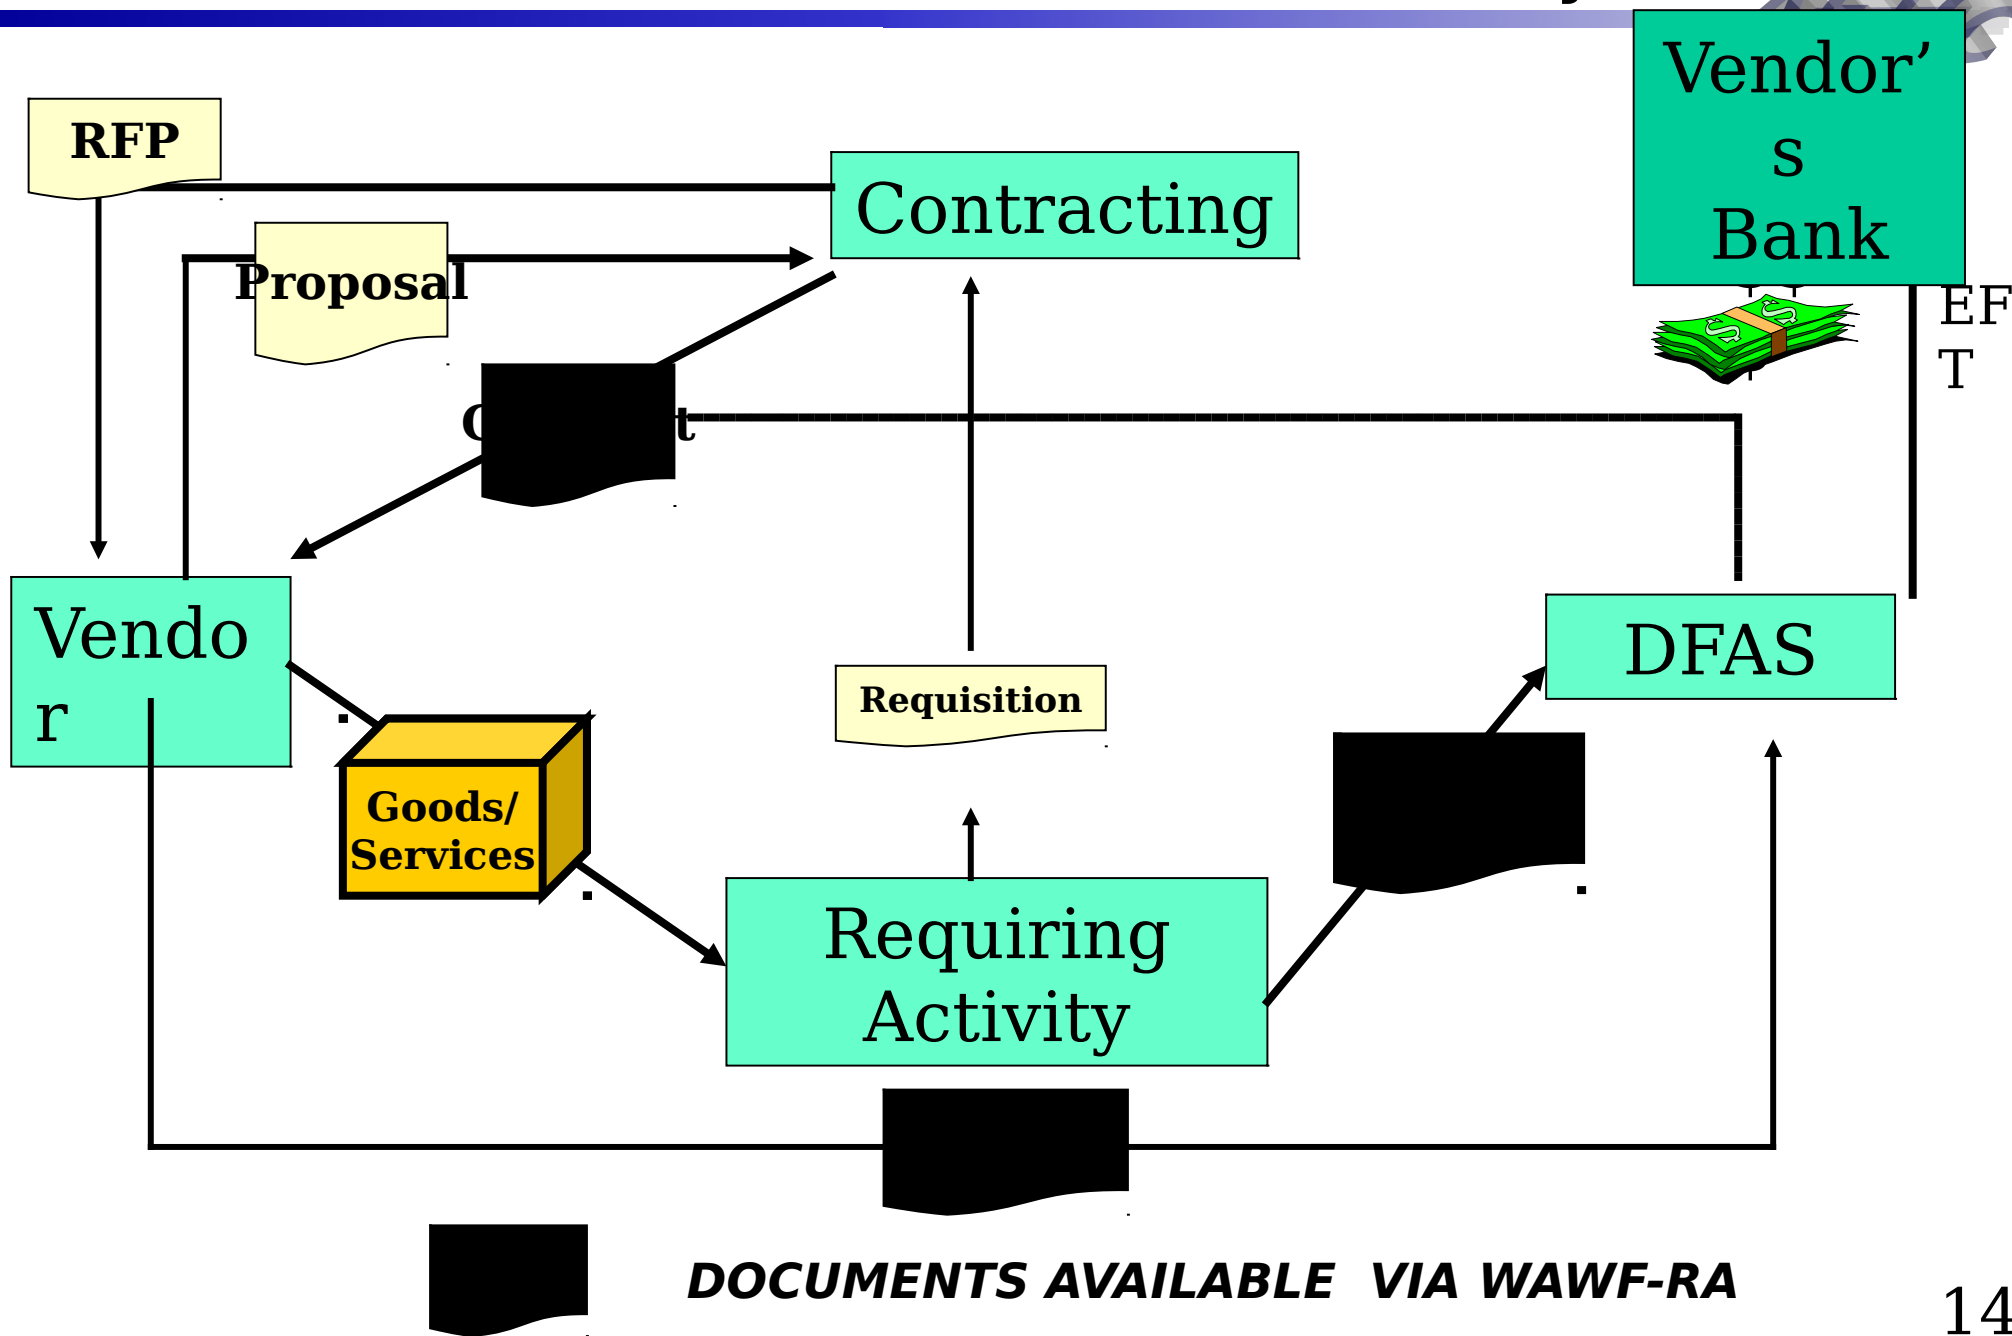

# Life Without eCommerce

# WAWF-RA Supports DoD Procurement Cycle

# Who Will Benefit?

## Vendors

- **Electronic submission of invoices**
- **Faster payments - Reduction of lost or misplaced documents**
- **Total visibility of document status**
- **Cost/time of sending same documents through U.S. mail**
- **Secure transactions with audit capability**

## DoD

- **Electronic recording of inspection and acceptance of goods and services**
- **Global accessibility of documents**
- **Improved data accuracy**
- **Electronic transaction processing into entitlement systems - Reduced re-keying**
- **Reduction in unmatched disbursements**
- **Real-time processing**
- **Secure transactions with audit capability**

# WAWF-RA Training Site

<http://www.wawftraining.com/>

The screenshot shows a Netscape browser window titled "WAWF-RA WBT - Netscape". The address bar shows the URL "http://www.wawftraining.com/". The page content includes a header "WAWF-RA Web-Based Training" and a navigation bar with links: Home Page, Home, Register, Log On, and Technical Support. The main content area has a "Welcome" section, a "Minimum Hardware/Software Requirements" list, and a "User Role Information" section.

**WAWF-RA Web-Based Training**

Home Page    Home   Register   Log On   Technical Support

**Welcome**  
Welcome to the Wide Area Workflow Receipts & Acceptance (WAWF-RA) Web-based training course.

**Minimum Hardware/Software Requirements**

- Pentium processor-based personal computer (166 MHz or higher)
- 64 MB of RAM
- 800 x 600 resolution with 16 bit (thousands of colors) color depth
- Windows 95, 98, ME, NT or 2000
- Netscape Navigator 4.0 or Internet Explorer 4.0 or higher
- Internet Access with at least 33kb/second download speed
- Authorware Web Player: [Download now](#)

**User Role Information**  
Before using this training course, you should know what your user role is within WAWF-RA. User roles include Vendor (contractor), Government Inspector or DCMA Source QAR, Government Acceptance, Government LPO (Local Processing Office) and Payment Office. If you are not sure about your user role, see the [Functional Information on the WAWF-RA Web site](#) for more information about WAWF-RA.
